JOSIAH TURNER, Jr., EDITOR.

PROSPECTS OF THE DEMOCRATIC PARTY TO CARRY THE NEXT HOUSE OF REPRESENTATIVES.

A late issue of the New York *Sun* (Rad) has an exhaustive review of the political battle field so far as it relates to the probable complexion of the next House of Representatives—the conclusion of which is, that the Democrats will secure a majority in that body. A synopsis of the *Sun's* article may be interesting.

As at present constituted, the House consists of 241 members, of which number the Radicals have 162 and the Democrats 79, giving the former a majority of 83. To change this majority, the Democrats therefore must not only hold on to what they have already, but also wrest 42 districts from the Radicals. The *Sun* calculates that the Democrats, by the operation of the Fifteenth Amendment, stand a fair chance to lose at least three of the following six close districts, viz: Adams', in Kentucky, who only had 462 majority; Hammill's, in Maryland, with only 586 majority; Voorhees', in Indiana, 128 majority; Wells', in Missouri, with 181 majority; Strader's, in Ohio, 211 majority; and Reading's in Pennsylvania, only 41 majority. If they do lose three of these districts, of course they must carry 45 Radical districts to win the fight. The *Sun* thinks they will do it, securing 35 of the number in the North and West, and 10 at the South.

In New England the *Sun* thinks the Democrats will make a gain of three: defeating Benton, in New Hampshire, who only had 563 majority last election; Strong, in Connecticut, who only had 735 majority; and Kellogg, in the same State, who only had 872.

In New York the *Sun* is confident the Radicals will lose eight districts.

In New Jersey, Hill (Radical) is almost sure to lose his election, as he had only 79 majority at the last election.

In Pennsylvania the *Sun* sets down the Radical loss at seven members, naming districts where the majorities, last election, ranged from 200 to 1,000.

In Ohio it credits the Radicals with a similar loss of seven, naming districts where the last Radical majority ranged from 100 to 900.

In Indiana the Radicals are set down as sure to lose two members, at least, and possibly five; in Illinois, one; in Michigan one; in Nevada, one; and Wisconsin one—making in all, 35 members gained. In the South the *Sun* assumes the Democrats will secure the seat of Hoffman, who was elected by only 135 majority; of Rents, of Arkansas, who got but 164; of Tillman, of Tennessee, who obtained his place by a vote of the House; of Duvall, of West Virginia, who received 840 majority in a poll of nearly 23,000; of Van Horn of Missouri, who got 887, and Dyer of the same State, who got 432, both in a heavy poll; while Benjamin's (same State) district is also clearly in danger.

In North Carolina the five districts, represented by Dockery, majority 1,961; by Dewees just resigned to avoid expulsion for cadet-mongering, majority 1,240; by Lash, majority 3,402; by Shober, majority 1,059, and by Jones, who was defeated by the people and elected by the House, will be pretty certain to elect Conservatives and Democrats, making a gain of eleven, which, added to the thirty-five gain from the North and West, will secure the party the forty six additional members necessary to give the Democrats control of the House, with one to spare.

In addition to this there is the greatest probability that the Democrats will carry one or both of the Boston districts and the certainty of two of the South Carolina and several of the Georgia and Louisiana districts, with chances in favor of a gain in Alabama. In South Carolina the House voted in two Radicals who were defeated at the polls, and several in Louisiana.—*Wilmington Journal.*

THE TOBACCO TRADE.

The New York *Tobacco Leaf* says:

Now that there are prospects of a revival of the demand for leaf there is none on hand, and but little prospect of there soon being any. At Richmond the supply is growing very short, and there is thus little likelihood of any reaching us here. This is one of the consequences of a short crop—an evil from which we shall not be suffering a year hence, to judge from the splendid weather we are now enjoying. The future supply, however, cannot be discounted now, and manufacturers will have to put up with the inconveniences of a short supply for some time to come. We know of one large factory in this vicinity which has not a month's supply of bright leaf on hand, and the proprietors of which have been scouring the country in vain for more. In this predicament they will be compelled to stop working this quality; and, as the scarcity is general, we should not be surprised to see the price of the manufactured article advance considerably between now and Christmas, especially when we take into consideration that the stock of manufactured bright goods is already extremely light, the old having long since been absorbed and the new being taken as rapidly as it arrives. At least this is the condition of things in this market, where we usually accumulate large stocks.—Holders will, therefore, probably soon demand an advance on prices now ruling, and the stock will probably change hands several times among the speculators before it reaches the consumer.

SEVEN DEMOCRATIC CONGRESSMEN FROM TENNESSEE.—It is not absolutely certain that the Democrats will carry every district in the State, but, with the exception of Maynard's district, where the chances are about equal, it is highly probable that they will. The Republicans have no possible chance except in the three East Tennessee districts, and not much in them. These districts are the First, Second and Third, now represented by Butler, Maynard and Stokes. Stokes will, in all probability, be the Republican candidate in the Third District, and, to illustrate his brilliant chances of success, it is only necessary to refer to the fact that at the Gubernatorial contest last year Senter beat him in the thirteen counties composing his district over eight thousand votes.—*Tenn. Corr. Cincinnati Commercial.*

Bullitt county, Kentucky, is agog over a mystery. A man disguised as an old, decrepit beggar obtained shelter for a night in a widow's house, and when a party of robbers attacked the house, threw off his disguise, killed two of the robbers, drove the rest away, and then disappeared without leaving a sign of his identity.

WALTHAM

WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these timekeepers.

More than 450 000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which severe testing by the most skilful artizans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize:

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and faultless.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mentioned improvements which tend to insure accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To prevent imposition, buyers should see that every watch should bear either of the following trade marks.

- American Watch Co., - - Waltham, Mass.
- Aimi Watch Co. - - - - - Waltham, Mass.
- American Watch Co.,
- Crescent St., - - - - Waltham, Mass.
- Appleton, Tracy & Co., - - Waltham, Mass.
- Waltham Watch Co., - - - Waltham, Mass.

MORE ARRESTS.

We received the following special telegram from Greensboro, just as we go to press, and have no time for comment. Indeed there is not much needed. Holden's plans are fast developing. Kirk may have a secret list as long as the book of Chronicles, and he may go on, as we verily believe is the purpose, until every prominent opponent of Radicalism in the State is incarcerated.

GREENSBORO', July 19.

Editor Sentinel:—Hon. John Kerr, Hon. S. P. Hill, Sheriff Griffith, Dr. Roan, James Neal, W. B. Bow, and ten others, were arrested at Yanceyville on yesterday, by Kirk. The Court House, filled with people listening to candidates for Congress, was surrounded and no one permitted to leave for some time. These prisoners, with those from Alamance, were confined in various rooms of the Court House and no one permitted to see them. This is derived from reliable eye witnesses.

WHO RESISTS THE LAW?

The first man to resist the law and legal process since the close of the war, is Governor Holden. He has, without the shadow of authority, organized an army of *rioters*, of which he is the head, at a cost to the State of tens of thousands of dollars. The Chief Justice of the State issues a writ of *habeas corpus*, and Holden disobeys and defies this writ by *armed force*, by an army organized for this as well as other unlawful purposes. *This is treason to the State.* He and all his army may be indicted, and anybody arrested or injured by them may sue them, Holden included, and make them pay for such injury. The people ought to sue them in every case, and indict them too.

If Holden or his army shall in pursuance of his conspiracy to overturn the Constitution and laws, kill any one, every man of them will be guilty of wilful murder, and may be tried, convicted and executed for such murder.

We do not doubt that, if they so take anybody's life, they will be so dealt with. Every step they take only makes their crimes the more flagrant, and they will be held to an account. An outraged people will see that the law is enforced against these disturbers of the peace, and public and defiant perpetrators of high crimes.

THE HOMESTEAD.

The *Standard* of yesterday contains a long demagogical and pointless editorial about homesteads. The Conservatives of the State are, we should judge, fully as much interested in unholding the Homestead provision of the Constitution as any body. Indeed, so far as our observation goes, there are more Radicals and Republicans opposed to this provision than Conservatives.

There is a wide diversity of opinion among lawyers about it a majority of them favor it. How it can deprive a lawyer of a c we cannot see; on the contrary, it makes too many fees for them.

There is no controversy among lawyers about the *prospective* effect, the difficulty is about its *retrospective* effect, and this is a question which some Courts decide one way and some another; but it is a question that the Supreme Court of the United States alone can settle definitely.

It is well known that in the Constitutional Convention, it was a long time before the Radicals would consent to it. The idea was, that the Radicals did not want it, but the Conservatives, the white people of the State, did. We apprehend that a majority of no party would favor an abandonment of the Homestead provision of the Constitution, whatever some individuals of every party might do, so there is nothing in the ridiculous parade of the *Standard*.

We think the Radicals would be the first to strike the provision from the Constitution.

THE HOLDEN-POOL CONSPIRACY.

Below we publish, for the information of all who may read it, what purports to be a letter from Washington, published first in the *Standard* of the 14th inst. We have no doubt that it was written either by Gov. Holden or John Pool. It embodies the sentiments expressed and the plan suggested by John Pool, in various conversations with persons here on a recent occasion. We have reason to believe that it misrepresents and slanders President Grant, but be this as it may, it develops a conspiracy against the people of this State infamous and fiendish in its character. It proposes, by a lawless military force, to defy and override the Constitution and laws of this State and the United States, and we do not hesitate to declare that legal steps ought to be taken to hold the conspirators to the peace, and to answer criminally. Here is a deliberate conspiracy openly avowed to overturn the Constitution and laws, and set up the lawless rule of a handful of contemptible, profligate and irresponsible worn out political hacks.—One would think the suggestion a ridiculous jest, if the parties were not proceeding to execute the plan. The military force is already partially organized and many of the best citizens of the State have been arrested without the semblance of legal authority and by the order of Holden.—This is perpetrating the crime proposed.—And we understand that the purpose is to organize a military commission at an early day to try the persons arrested for any crime Gov. Holden may see proper to prefer against them. The charges preferred are to be sustained by any sort of testimony that can be trumped up in the league meetings and otherwise. It is said William J. Clark and Kirk are to compose the commission and Windy Billy Henderson is to be Judge Advocate, and these men are to try and execute whom they will. Was such a state of things ever conceived of before? Is it not monstrous and devilish beyond expression? Fiends alone could conceive of such shameless crime. We have no apprehension of the complete success of this conspiracy. Neither the Supreme Court Judges, (except perhaps Judge Settle, who, it is said is concerned in the plan,) nor the people of the State of any party, will tolerate the perpetration of such unheard of crime, and Gov. Holden and Mr. Pool will so learn to their entire satisfaction before they get much further in their job of wholesale murder. Let everybody read the letter. It develops the plan of the conspiracy in out line.

(From the Standard.)

LETTER FROM WASHINGTON.

We invite attention to the following letter from Washington.

This letter corrects several misstatements by the SENTINEL's correspondents. It also correctly sets forth the wishes of the administration at Washington in relation to law and order in this State, and the purposes of the Governor to punish criminals and restore peace and quiet:

WASHINGTON CITY, July 11th, 1870.

MR. EDITOR:—The letter from this place, over the signature of "A Native," published in the SENTINEL of the 8th inst., so grossly and yet ingeniously misstates facts that it was evidently written for a special purpose, affecting the pending elections in North Carolina.

I have the authority, at least, of Senators Abbott and Pool for saying, that neither of them ever said that Governor Graham or any other man should be arrested and held as hostages for the good behavior of the "Ku Klux," and that neither of them ever "telegraphed or caused it to be done, that Juge Graham (or Gov. Graham) was greatly censured for not taking a stand against the Ku Klux."

Gov. Graham has been greatly censured here for not doing so, and I have heard such censure from the two Senators from North Carolina, as well as from many other persons in high official and social positions here. It has not, to my knowledge, been suggested from any quarter, that Gov. Holden should arrest man and hold them as hostages for the good behavior of the Kuklux. That would be a more mild and complimentary mode of dealing with them than any one proposes. There is little, if any, difference of opinion as to the proper mode of dealing with them, and this opinion was freely and earnestly expressed to Gov. Holden, while he was in the City, by the highest officials and by very many of the most eminent statesmen of the country.

It was to the effect, that the local magistrates and civil tribunals having failed to bring the perpetrators of repeated crimes to justice, after a reasonable time, and it being plain that the organization of the criminals is so perfect, and their numbers and that of their abettors so great as to evade, if not to deny, the ordinary methods of criminal proceedings, some extraordinary and violent exercise of authority has become necessary and absolutely obligatory, upon the Executive of the State. None advised the holding of mortgages as security for the future, but all advised a speedy and sharp punishment to the criminals and to those who have counselled their crimes or have given countenance, aid or support in their perpetration.

Security for the future is expected to result from such punishment, and it is not believed that it can be attained in any other way. Secretly organized midnight marauders and murderers can only be dealt with by punishment of the most exemplary and extreme character. To hesitate or stickle would betray such weakness in the government as to amount to encouragement of lawlessness and crime. The emergency which these misguided and wicked men have raised in North Carolina, and some of the other Southern States, since the war, has often arisen in the early history of the Western States and Territories, and the only effective mode of dealing with it, has been often practiced, and is well understood by many Senators and Representatives in Congress, who volunteered their counsels to Governor Holden while he was here.—Nothing has been found to answer but a well appointed military power of select men, under bold and resolute officers, who appreciate the situation and have the firmness to meet it by any action that may be necessary.

There is no truth in the insinuation of "A Native," that the President "did not encourage Gov. Holden's military movements." He ordered uniforms and all other needed accoutrements to be shipped to the North Carolina troops about to be raised, and the same have been shipped accordingly. The position of the government upon this question is so universally known here, that it is scarcely possible for "A Native" to have been ignorant of it. The National troops already sent to North Carolina, were sent by the order of the President. "A Native" says "the President could not send troops to your State.—He has made no order for it," &c. The President has sent troops there by his own order, and he assured Gov. Holden that he would order two more companies there very soon. The purpose of the communication of "A Native" seems to be the same as that manifested in every issue of the *Sentinel*. That is to encourage the Kuklux not to be deterred by the measures of Gov. Holden, and to impress upon them that he is not sustained by the National Government and has no assurance of its support in bringing down such punishment upon the perpetrators of the recent outrages as shall forever hereafter deter others from combining for similar crimes, and communities from countenancing and tolerating such deeds in their midst. The real situation of the case does not seem to be understood either by the criminals or by those who, by encouragement, apologies and affiliations make themselves accessories to the crimes. It cannot be expected by Gov. Holden that a mere show of military force will either satisfy the demands of justice or produce any salutary effect in affording protection to the outraged victims of partizan violence. Unless his purpose and intentions are totally misunderstood here, his military force is to insure with certainty in one way or another that the guilty and their abettors are so punished as that their confederates will be terrified by the example to such an extent that they will not dare repeat their crimes, and communities will not dare to tolarate such crimes thereafter.

There are several passages in the above which show that the writer was in Raleigh and not in Washington; but it is nevertheless a foreshadowing of the lawless coup that has since been inaugurated in the State.

PRESIDENT GRANT.

We learn again that the assertion of the *Standard*, that President Grant endorses and will sustain Gov. Holden's lawless military movement and resistance of the writ of *habeas corpus*, is a sham fabrication, and there is not the slightest foundation for the assertion.

The assurance of young Douglas, that the *Standard* prates about, amounts to nothing; he has no authority to give any such assurance, and neither President Grant nor anybody else cares a fig about so small a personage.

The Federal troops are here to aid in executing the civil laws and not for the purpose of sustaining the lawless efforts of Holden to overturn society and establish civil strife. The U. S troops will not hesitate to aid in the execution of the writ of *habeas corpus* if need be, and they will force Gov. Holden to behave himself as soon as anybody else, and, if necessity requires it, he will see how this is.

These false suggestions coming from young Douglas, a mere stripling, are thrown out to make the people think the President endorses Holden right or wrong. This is not only false but wilfully so. We do not know that this young fellow, Douglas, sustains any relation to the President, and we doubt that he does. Let him show his authority; we say he has none.

ANOTHER OF KIRK'S OUTRAGES.

About two weeks since Judge Cloud and D. C. Scales, Esq., were on a pleasure trip to the mountains in Mitchell and Watauga counties. Mr. Scales had occasion to visit the Clerk of the Superior Court of Mitchell county, on business, and while there Kirk had him arrested and detained for half a day. Mr. Scales is a gentleman of high character and had done nothing to Kirk or to any one to provoke, much less to justify this outrage upon himself and the law and the public. He was so arrested and detained and no cause was assigned for the indignity; indeed, there was none.

What do the people think of such conduct, done, too, with the sanction of the Chief Magistrate of the State?

MAKE THEM RESPONSIBLE.

Holden's army of treason, outrage and murder has and will cost the State more than $250,000; probably $500,000. It is said that $60,000 have already been paid out of the Treasury. Let it be remembered that this is done without any lawful authority, and that Gov. Holden and the Treasurer are personally responsible for every dollar so paid. They hope, no doubt, that the next Legislature will legalize this lawless and deeply criminal expenditure of money.

Let the people of all parties see to it that *all candidates*, whether Conservatives or Republicans, pledge themselves that they will not vote for any measure to legalize such conduct, and that they will vote to hold the Treasurer and Holden personally responsible.

Let the people in every county look to this matter.

LOOK SHARP!

We caution the Conservatives in every township in this county, to keep an eye on the Registration books, as we are credibly informed a number of youth under age are registering to vote in August. Let every such instance be noted, the name and the proof taken down and handed to the chairman of the County Executive Committee for presentment before the Grand Jury. There are some instances of the kind in Raleigh township, as we have no doubt there are in nearly all the others in the county. They will be dealt with at the right time.

The Asheville Citizen issues an extra containing a letter from Hon. Plato Durham, declining the candidacy for a seat in the 42nd Congress, in favor of J. C. Harper of Caldwell. Mr. Durham is influenced to take this course inasmuch as he cannot take the test oath although he is under no disabilities imposed by the 14th amendment.

Mr. Durham's conduct in this matter is that of a patriot, and shows that he has been actuated solely by a desire to advance the interest of his fellow-citizens. The success of the Conservative ticket in that District is an established fact, and no selection could give the people of that section more satisfaction than that of Mr. Harper.

The third annual meeting of the Stockholders of the N. W. N. C. R. R. Co. will be held in Winston on the 28th inst.

SUPREME COURT.

TUESDAY, July 19.

Exparte Boyd and others.

The Court opened at 9 o'clock A. M. Chief Justice Pearson on the Bench.

Mr. R. C. Badger, counsel for the Executive, appeared and read the following reply to the Chief Justice's letter of yesterday.

EXECUTIVE OFFICE,
Raleigh, July 19, 1870.

To the Hon. Richmond M. Pearson,
Chief Justice of North Carolina:

SIR:—Your communication of yesterday concerning the arrests made by Col. Geo. W. Kirk, together with the enclosed, is received.

I respectfully reply:—That Col. Geo. W. Kirk made the arrests and now detain the prisoners named by my order. He was instructed firmly but respectfully to decline to deliver the prisoners. No one goes before me in respect for the civil law, or for those whose duty it is to enforce it, but the condition of Alamance county, and some other parts of the State, has been and is such that, though reluctant to use the strong powers vested in me by law, I have been forced to declare them in a state of insurrection.

For months past there has been maturing in these localities, under the guidance of bad and disloyal men, a dangerous secret insurrection. I have invoked public opinion to aid me in suppressing this treason. I have issued proclamation after proclamation to the people of the State to break up these unlawful combinations! I have brought to bear every civil power to restore peace and order, but all in vain! The Constitution and laws of the United States and of this State are set at naught; the civil Courts are no longer a protection to life, liberty and property; assassination and outrage go unpunished, and the civil Magistrates are intimidated and are afraid to perform their functions.

To the majority of the people of these sections the approach of night is like the entrance into the valley of the shadow of death; the men dare not sleep beneath their roofs at night, but abandoning their wives and little ones, wander in the woods until day.

Thus civil government was crumbling around me. I determined to nip this new treason in the bud.

By virture of the power vested in me by the Constitution and laws and by that inherent right of self preservation, which belongs to all governments, I have proclaimed the county of Alamance in a state of insurrection. Col. Geo. W. Kirk is commanding the military forces in that county, made the arrests referred to in the writ of *habeas corpus*, and now detains the prisoners by my order.

At this time I am satisfied that the public interest require that these military prisoners shall not be delivered up to the civil power.

I devoutly hope that the time may be short when a restoration of peace and order may release Alamance county from the presence of military force and the enforcement of military law. When that time shall arrive I shall promptly restore the civil power.

W. W. HOLDEN,
Governor.

On the conclusion of the reading of the communication from the Executive, Mr. Badger read various Proclamations issued from the Executive office at various times within the last two years in reference to various pretended Ku Klux outrages and disorders in the counties of Jones, Lenoir, Alamance, &c.

Chief Justice said, before the argument opens I will observe to the counsel, the object of argument is to aid me in forming an opinion on four questions of law.

1. Do the facts set out by his Excellency show that Col. Kirk had a "reasonable excuse" for not making return to the writ of *habeas corpus*, as to release him from the powers and penalties of an attachment?

2. Do the facts set out, show an "insurrection" and a condition of things, putting the lives and property of our citizens in such imminent peril, as to suspend the writ of *habeas corpus* in the counties subject to military occupation?

3. Suppose the writ not to be suspended as in the present condition of the country, it is highly probable, nay, in my opinion *certain*, that an order to the Sheriff of a county to call out "the power of the county," and with force take the petitioners out of the hands of the military authorities will plunge the whole State into civil war,—should not the act of 1868 '69, be so construed as to make it subservient to that clause of the Constitution, which confers power on the Governor to call out the militia to suppress riots and insurrection, in counties where the Governor has exercised this power and taken military possession?

4. If so, should the writ be directed to the Governor?

I shall be pleased to hear argument on these subjects as questions of law, and will leave it to the good sense of the counsel to decide, whether an excited discussion such as on yesterday, will be calculated either to aid me in forming an opinion, or to answer any other useful purpose.

PEARSON.

Judge Battle, Gov. Graham, Gov. Bragg and Judge Merrimon, counsel for the petitioners, then addressed the Court upon the questions of law and constitution involved in the matter before it.

At the close of these addresses, the Chief Justice postponed further consideration until to-morrow, when Mr. Badger will be heard against the writ.

In a speech before the Radical pow-wow in Lumberton recently, by S. Mabson, a colored politician from New Hanover, distinctly announced "Social Equality" as the issue in the present campaign; and he urged the return of the old members to the Legislature from this county, as he *knew them to be committed to that doctrine*. The party has nominated these men, and they stand before the public *committed* to the doctrine of SOCIAL EQUALITY, and we intend to hold them to this issue.—*Wil. Jour.*

For the Sentinel.

SMITHFIELD, N. C., July 16, 1870.

Hon. Josiah Turner, Jr., Editor Sentinel:

SIR:—For some time past there has been a call in your paper for a meeting of the Executive Committee of this county for the purpose of making a nomination for Sheriff on the Conservative ticket. Instead of this being only the members of the county committee with the township committee present, there was a large gathering of the people, and it was thought best to organize as a convention. The meeting was called to order by Dr. J. M. Leach, who nominated Mr. Willis Saunders as chairman, and Maj. C. W. Gassett as secretary, both accepting their respective positions with appropriate remaks. Speeches were made by Messrs. Willis Saunders, Esq., Z. J. LeMay, W. H. Avery, J. H. Abell and C. W. Gassett, and all seemed to be for one man for Sheriff, "the old incumbent," Henry M. Cullum, who was nominated by acclamation. The utmost harmony prevailed, and every man saying, "Old Johnston shall be redeemed."

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in *most* cases, *some durably lower than* those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock* Companies, extending to policy holders, all th ir really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines *all the* popular features of other Companies, represented in this state, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, into an *Annuity Bond* which provides an income *through life, or for a series of years as prefered.*

Circulars giving full explanations and any other information, will be cheerfully furnished. The most liberal arrangements, will be made with first class solicitors, to push the EXCELSIOR forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

Albright's, Chatham county, July 21.
Matthews', Chatham county, " 22.
Hickory Mountain, Chatham co., July 23.
Louisburg, Franklin county, July 26.

GET YOUR TICKETS READY!

Conservatives of Wake, remember that the names of your township's candidates must be on your tickets. It is necessary therefore, for each township to send in a fairly written list of their township candidates, that they may be printed in time. Send the list to George H. Snow, Esq., Chairman of the County Executive Committee, with the number you want, and he will attend to having them printed on the Congressional and County ticket. Don't neglect a day, but attend to it at once.

The gentlemen composing the Conservative Executive County Committee will meet at the Sentinel office on Wednesday, July 20th at 10 o'clock A. M., for the transaction of important business. Every member is earnestly requested to be present.

GEO. H. SNOW, Ch'm.

Martial Law Proclaimed.—We have just learned that martial law has been proclaimed in Alamance. Graham, the county seat, was taken possession of yesterday, by Kirk's men, and guards placed at every avenue to prevent ingress or egress. The Register of the county received orders that he must not leave his office, we hear, and great excitement prevails. What are we coming to!

If the Governor can declare two counties in insurrection and place them under martial law, he can place twenty, fifty, nay, all the counties of the State in the same condition, and supercede the civil law altogether. Again we ask, what are we coming to!

Radical Speaking at Haywood.—The *Standard* makes a big blow over the Grand Radical rally at Haywood, yesterday, stating that there were 500 persons out. We have it from a gentleman who was present, that these were not exceeding 150, and at least half of them were Conservatives.—Maj. Gen. Jones opened the ball; Hawkins followed in a written speech, and a big colored gentlemen, (B. H?) closed the scene. Our informant says the speeches were poor, and heartily ridiculed by the negroes, only a few of whom were present.

Shaffer.—We have read Shaffer's card in this morning's *Standard;* the game is too small for us to waste ammunition on now.

Hose Test.—The trial of the new hose of the Rescue Steam Fire Engine Company, yesterday afternoon, was not, we learn, altogether satisfactory. The couplings of the sections being smooth instead of grooved, could not stand the pressure, but continually blowed out. The Engine acted nobly, and threw a stream 20 feet above the tip of the lightning rod at the Deaf and Dumb Institute, where the trial was made. Steps will be taken immediately to remedy the defects in the hose coupling.

A new serial story by a distinguished American writer, whose name is held in reserve, is to be begun in the August Galaxy. The tale is said to be full of incident, dramatic, novel in scene and character, and admirably adapted for serial publication.

Worth Seeing.—It is a sight really worth seeing to go up into Watson's gallery and take a look at the beautiful pictures, in all the recent improvements in the art of picture taking, suspended upon the walls of his rooms. One may spend an hour or two there most pleasantly.

There is a colored woman, named Sally Bragg, living in Warren county, something over 100 years of age.

Mrs. Sarah Crews, an old lady of 71 years of age, residing in Forsyth county, recently fell from a foot log while crossing a small stream, dislocating her shoulder and fracturing her arm in two places.

Notwithstanding her advanced age, Mrs. Crews is now improving and apparently in a fair way to recover.

The greatest pleasure in life is love; the greatest treasure, contentment; the greatest ease, sound sleep; and the best medicine, a true friend.

Jeff Davis received one vote for Supreme Judge in Oswego county at the recent judicial election in New York State.

EVERY MAN'S DUTY.

Let every man in the State remember that if he votes for the Radical ticket he votes to continue in power W. W. Holden and his administration with all its crimes. The Radical Convention which lately assembled in this city passed a resolution endorsing him and what he has done. To vote the Radical ticket is to endorse him and his crimes and outrages upon the State and people. Let the people remember what he has done, especially let them remember Kirk's army, what it has cost and done by order of Holden; let them remember that this lawless band of *rioters*, by express order of Holden, have arrested, without any cause and without any legal authority, scores of the best citizens of the State and dragged them from place to place. Let them remember too, that this was done for the sole purpose of *forcing and frightening* them to vote the *Radical ticket*, and keep Holden and his shameless crew in office to the end they may continue to plunder and outrage the people and State. Let the people of all parties consider of these things, and deliberately go to the polls and vote to make Holden account for his crimes. If they do this, they must vote against the Radicals. Remember that, and let every man do his duty.

GLEAMINGS FROM STATE EXCHANGES.

The branch mint at Charlotte is to be continued, and Congress appropriated $4,400 for its repair, before adjournment.

Wm. F. Davidson, Esq, declines the proffered nomination for the Senate in Mecklenburg, against Col. Jones, made by a few disorganizers.

The merchants of Charlotte have taken steps to organize a Board of Trade for that city.

The Post offices at Blockers and at Autrey's Store in Cumberland county have been discontinued.

Hon. Z. B. Vance and family are summering in Asheville at the Carolina House.

The Jefferson *Times*, a new Radical sheet published at Jefferson, in this State, advises the people to "come out and vote for the Republican candidates and save the State from military rule." That's it, is it? If the people will vote for Rads and Holdenites, we shall not be visited with the horrors of military rule, but it they won't, why, they may look out. We think that from the Governor's standpoint, that editor's frankness outruns his discretion.

Militia Outrage.—We understand that a number of Gov. Holden's pet militia went last night, to the house of a Mrs. Phillips, a respectable widow lady residing in the Southeastern suburbs of the city, and roughly demanded admittance. Mrs. Phillips put a colored boy out at a back window to run to a neighbor's and ask for assistance. The neighbor came and the "lambs" hurriedly left, after having made several efforts to break into the house.

Thus the work goes bravely on! All the various means are to be tried to arouse the people to resistance and give excuse for declaring the whole State in insurrection.

Travellers on their way to Lake George were somewhat startled in Glen's Falls the other day, by seeing some fifty well dressed negroes crowding into the coaches that were to convey them to the lake. "Where are those fellows going?" asked a passenger "To the Fort William Henry Hotel," was the answer. "What! do they entertain negroes there?" "Certainly they do." "I'll be d—d if I go to any hotel where they entertain negroes." "Those are the waiters of the hotel," said the agent, and the passenger subsided.

'Sir,' said one politician to another, 'my party is an immovable rock.' 'Then sir, the ship of State should steer clear of it.'

Scarlet Fever.—An eminent physician rubs scarlet fever of many of its terrors, by prescribing for the patient warm lemonade, with a little mucilage, as often as desired, and the application of warmth to the stomach. He directs that a cloth should be wrung out in hot water and laid on the stomach, renewing it as often as it cools. Nothing else but the lemon is to be given. With this treatment, he guarantees that not one in a hundred cases will prove fatal. Cider alone has been known to cure more than one obstinate case. A vegetable acid appears to be a specific in colds and fevers.

This is a Free Country, and if people like to use hair coloring compositions full of dirt, they have a right to do so; but reason suggests that when Phalon's Vitalia, or Salvation for the Hair—pellucid, sweet, and pleasant—can be obtained at every drug store, none but the unrefined will use any other. Sold by druggists.

Be on Your Guard.

The unexampled success which for twenty years has accompanied the use of Hostetter's Stomach Bitters provokes the envy of ignorant nostrum-mongers in all parts of the country, and the counterfeiting business having been measureably played out in consequence of the numerous suits instituted against the offenders, a new system of tactics has been adopted. In the South and West especially, a legion of "Bitters," prepared from worthless materials and bearing a variety of names, have been got up by irresponsible adventurers with the hope of substituting them to some extent for the Standard Tonic of the Age. In some cases country druggists are the concoctors and proprietors of these unscientific and trashy compounds, which are warmly recommended by the venders, who endeavor to palm them off upon the credulous in lieu of the great specific which has never yet had a successful competitor either among proprietory preparations or the medicines prescribed in private practice. This notice is intended to put the public on their guard against persuasions of parties engaged in the attempt to substitute mere rubbish for the most efficient stomachic and alterative at present known. At this season of the year when debility and complaints arising from a lack of vital energy so generally prevail, it is of the greatest consequence that no tricks should be played with depressed and enfeebled systems. Ask, therefore, for Hostetter's Stomach Bitters, the great vegetable invigorant and alterative, and reject, with deserved contempt, the worse than useless medleys offered in its place. It is as important to the public as to the proprietors of the famous restorative that this advice should be heeded.

The latest foreign intelligence indicate that Norway and Sweden will join France, provided the French fleets operate in the North German sea.

England is negotiating for the neutrality of Holland, which it is said France favors.

The position of Russia is uncertain. The latest surmise show a disposition on her part to support Prussia. The following are the French corps commanders: Canrobert, Failloux, Frossard, McMahon, Freilly and of the Imperial Guard reserve, and Bazaine.

Don Carlos has been expelled from France.

The evacuation of Rome is again reported.

French men of war are watching the departure of Prussian iron clads from England.

The steamer "Union" remains in Bremen.

No battle expected for several days.

Thier's organ gives the following as the French programme: Enter Hesse in order to neutralize the Southern States. Then occupy and fortify Frankfort, whence sweep the left bank of the Rhine and then garrison Prussia via Westphalia; when the reconstruction of the Rhinish Confederation is to follow.

The steamer "New York" has arrived at Plymouth. It is uncertain whether she will attempt to reach Bremen.

The Loyds exact five to ten guineas on German shipping.

Where can be found an entire new stock of select Drugs Medicines Chemicals; Patent Medicines, Toilet articles and Perfumery and all articles usually kept in a first class, Drug House.

My aim shall ever be to give satisfaction to my patrons. Nineteen years experience in the business enables me to say that my stock is as well selected as any in the State.

I would especially call the attention of the Physicians of the surrounding country to my stock, and know that I can offer them inducements to give me a trial. No old goods—every article warranted fresh and genuine.

The prescription department will be under my immediate supervision and all prescriptions will be prepared with neatness, accuracy and dispatch.

READ AND PONDER.

I never read a dozen pages of medicine in all my life, and of course know nothing about it. But, as I said before, Dr. Hammond is my authority for saying, that any man who smokes such good Cigars, or chews such good Tobacco, as you can find only at PINCK C. HARDIE'S, need have no fear of declining health. But will, on the contrary, improve in health and increase in flesh so long as he continues to use them.

Indeed the authority of such distinguished Physicians as Dr. Hammond is not needed to convince you that I only assert what can be substantiated, by contrasting our esteemed fellow citizens, Jno. C. Palmer and Jas. M. Towles, who never smoke, with such men as my friends Creech on the corner, Maj. Tucker just opposite, Harvey Moore, of the sentinel, and simon Hayes, the Livery Stable man, and a host of others I could name, who use my Cigars and Tobacco.

Suffer a word of exhortation; come and see me. Try my goods, and if I don't suit you go further and fare worse.

DUNN'S PATENT COTTON TIE.

WE BEG TO ANNOUNCE that we have been appointed Sole Agents for the sale of the above Patent Tie in Virginia and North Carolina.

The satisfaction it gave last season wherever used, warrants us in recommending it as the best tie yet introduced. It combines the advantages of great strength, great simplicity and ease in manipulation, besides the difficulty of taking up the slack of the band in the operation of baling, is entirely obviated.

We shall have our supply direct from the manufacturer in England, for delivery in July or August, at the lowest market rates.

CHARLOTTE N. C.

THE EQUITABLE
HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than Twenty-seven Millions Dollars.

In 1859 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1863 and 1865 the 7th; in 1864 and 1866 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after they once begin to pay them at all; but they do not begin to pay until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals four hundred and thirty-six dollars paid at the end of four years, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

PAIN KILLER
PERRY DAVIS'S
1840 1870

This Valuable Family Medicine has been widely and favorably known in our own and foreign countries upwards of

THIRTY YEARS!

It has lost none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest.

It is an External and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has without doubt, been more successful in curing the various kinds of cholera than any other known remedy, or the most skillful physicians. In India, Africa and China, where this dreadful disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates, a *sure remedy*; and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in unskillful hands. Directions accompany each bottle.

Sold by all Druggists.

Prices 25 cts., 50 cts., and $1 per bottle.

A PROCLAMATION

By His Excellency the Governor of North Carolina.

SWEET QUININE

Is a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUININE with which all are familiar. Dose for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,

Intermittent Fever,

Chill Fever,

Remittent Fever,

Bilious Fever,

Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity; making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at MRS TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN

THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
